WiFi Policy and Conditions of Use 2020

This policy provides conditions for the acceptable use of the Sheriff Hutton Village Hall WiFi facility.

Individuals using Sheriff Hutton Village Hall Wi-Fi do so at their own risk.

The Sheriff Hutton Village Hall Trust:

- Is not responsible for the accuracy, completeness or appropriateness of the information supplied on the internet.
- Does not provide antimalware or antispyware of any kind and does not guarantee the performance, security or availability of Wi-Fi.
- Does not accept responsibility or liability for any claim, loss or damage resulting from your use of the service.
- Does not accept any liability should you breach copyright law.

Acceptable Use Policy

You must not use the Sheriff Hutton Village Hall WiFi facility for any purpose that is unlawful, prohibited by any applicable law, regulation or legislation or that might infringe the rights of any third party.

In particular, you must not use it to:

- Access, send or otherwise make available to others any material that could be deemed offensive, obscene or indecent, or material that infringes the copyright of another person. All forms of material contained on the internet, unless otherwise stated, are protected by copyright. **You are responsible for observing the condition of copyright on each site you visit.**
- Create or transmit material which is designed or likely to cause annoyance, inconvenience or needless anxiety.
- Access network services in such a way as to deny reasonable access to the network for other users, for example, by excessive use of network bandwidth for music or video streaming or very large downloads.

Internet access at the Hall is filtered, however, we cannot guarantee that all undesirable material will be blocked and the filter may also occasionally block sites of interest.

The internet is not a secure medium and third parties may be able to obtain information regarding your activities. You should be aware of the possible security risks associated with connecting your computer to a WiFi network. It is your responsibility to keep your computer free from malicious code and secure it against unauthorised access.

Individuals using the Sheriff Hutton WiFi service have full responsibility for anything they may download.
